Warrant for Town Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Milford, in the County of Hillsborough, in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town Hall in said Milford, on Tuesday, the 12th day of March, next, at eight of the clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To act upon the reports of all town officers, agents and committees, and raise and appropriate money relative thereto.
4. To see if the town will vote to secure State Aid for permanent improvement of highways under the law passed at January session 1905.
5. To see what sum of money the town will vote to raise and appropriate for town officers' salaries, town officers' expenses, election and registration expenses, municipal court expenses, repairs and supplies for the town house, police protection, fire protection, moth extermination, collection of garbage, health department, vital statistics, town maintenance of highways, general expense of highway department, street lighting, Milford Free Library, town poor, Memorial day, parks and playgrounds, cemeteries, interest on temporary loans, interest on bonded debts, interest on serial notes, water and

electric utilities, damages and legal expense, town construction of highways, state aid construction of highways, sidewalk construction, sewer construction, payment on principal of debts, state taxes and county taxes.

6. To see if the town will vote to authorize the selectmen to borrow money in anticipation of taxes, if necessary, as provided by law of 1907.

7. To see if the town will vote to raise and appropriate the sum of \$200.00 toward the maintenance of the Milford Community House.

8. To see if the town will raise and appropriate the sum of \$203.50 to reimburse the Trustees of the Livermore property for the money advanced by them to pay for the grading, fertilizing and seeding the grounds and lawn of the property held by them as Trustees.

9. To receive report from the Committee to consider straightening street lines on west side of common and take any action in relation thereto.

10. To see if the town will vote to authorize the moderator to appoint a committee, to act for the town, in all matters pertaining to any bequests relative to our Library, and to raise and appropriate a sum necessary for the expenses of said committee.

11. To see if the town will vote to authorize the Selectmen to acquire the dam and flowage rights on Great Brook (so called) from David Whiting and Sons, Inc., and to raise and appropriate a sum of money necessary for the same.

12. To see if the town will authorize the Selectmen to accept on behalf of the town, any Federal or State Grants, that may be offered for the purpose of giving employment for labor.

13. To see what action the town will take relative to permitting the Garden Club use of Town Hall for two days in the summer for a flower show, at one half the regular charge.

14. To see if the town will vote to adopt an eight hour day.

15. To see if the town will vote to pay not less than 40c for common labor.

16. To see if the town will instruct the Selectmen to build King Street that it may be used as a through street, especially from George Street to Ford Street.

17. To see if the town will raise and appropriate the sum of \$75.00 for the purpose of advertising the resources and natural advantages of the town, said sum to be expended under the direction of the selectmen, or take any other action relating thereto.

18. To see if the town will authorize the Selectmen to administer or dispose of any real estate acquired by the town through Tax Collector's deeds.

19. To see if the town will vote to adopt the provisions of the Municipal Budget Act.

20. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 23rd day of February, in the year of our Lord nineteen hundred and thirty-five.

FRED N. HUTCHINSON,
HARRY N. THOMAS,
DANIEL D. STEELE,
Selectmen of Milford.

Warrant for School Meeting

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Milford qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 12th day of March 1935, at 3 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year, July 1, 1935 to June 30, 1936.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this Warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.
9. To see how much money the District will raise

and appropriate for special repairs and alterations of school buildings and grounds, for new equipment, new construction, furnishings and replacements.

10. To see how much money the District will raise and appropriate for insurance on school property.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Milford this 19th day of February 1935.

RODNEY C. WOODMAN,
HARRY N. THOMAS,
School Board.

REPORT OF AUDITORS

This is to certify that we have examined the items of the accounts of the officers of the following departments and find them correctly cast and properly vouched as follows:

H. N. Thomas, Clerk of Selectmen
L. L. Junkins, Building Inspector
S. A. Lovejoy, Treasurer Lull Memorial Fund
F. E. Cooley, Treasurer Water Board
A. J. Rossi, Treasurer Park Commission
F. W. Sawyer, Town Treasurer
B. F. Prescott, Treasurer Milford Free Library
B. F. Prescott, Justice Municipal Court
B. F. Prescott, Treasurer Trustees of Trust Funds
H. C. Bruce, Town Clerk
H. C. Bruce, Tax Collector previous to 1933
D. C. Bruce, Tax Collector
F. A. Farwell, Treasurer Board of Fire Engineers
C. H. Gault, Road Agent

We also certify that we have examined the securities in the care of Trustees of Trust Funds and find them correct.

We also certify that we have examined the accounts of the School Board and the Treasurer of the School District for the fiscal year ending June 30, 1934 and find them correct.

Respectfully submitted,

F. S. KIMBALL,
H. E. TRENTINI,
Auditors.

HIRAM C. BRUCE,
Town Clerk.

SYNOPSIS OF RECORD OF TOWN MEETING HELD MARCH 13, 1934

Acting under Article 1 of the Warrant the following town officers were elected: Selectman for three years, Daniel D. Steele; Town Clerk, Hiram C. Bruce; Town Treasurer, Frederick W. Sawyer; Library Trustee, Harland Holt; Sexton, Leon C. Tucker; Highway Agent, Charles H. Gault; Fire Wardens, Jeremiah J. Casey, Fred A. Farwell, George F. Jewett.

Under Articles 2-3-4. Reports of town officers, agents and committees were accepted and money to defray necessary town expenses raised and appropriated. Also \$3342.00 was voted in order to secure State Aid in road construction—the amount to be used to complete work on North River Road.

Article 5. The following amounts of money, recommended by the Ways and Means Committee, were raised and appropriated:

| | |
|--|-----------|
| Town officers' salaries | \$2425 00 |
| Town officers' expenses | 1350 00 |
| Election and registration expense | 300 00 |
| Municipal expense | 350 00 |
| Expense of town hall and other buildings | 3800 00 |
| Police department | 3600 00 |
| Fire department | 4000 00 |
| Health department, including hospitals | 700 00 |
| Vital statistics | 100 00 |
| Sewer maintenance | 600 00 |
| Town maintenance | 8000 00 |
| Street lighting | 4800 00 |
| Snow expense | 3500 00 |
| Libraries | 2800 00 |
| Town poor | 1800 00 |
| Memorial Day | 150 00 |
| Parks and playgrounds | 1000 00 |

| | |
|-----------------------------|----------|
| Hydrants | 2270 00 |
| Cemeteries | 800 00 |
| Community House | 200 00 |
| Interest on temporary loans | 550 00 |
| Interest on long term notes | 637 50 |
| State aid construction | 3342 00 |
| Sidewalk construction | 500 00 |
| Sewer construction | 800 00 |
| Land damage | 3300 00 |
| Long term notes | 4000 00 |
| Taxes bought by town | 3000 00 |
| State taxes | 11037 00 |
| County taxes | 10000 00 |
| Discounts and abatements | 1500 00 |

Articles 6 and 7. The selectmen were authorized to borrow money in anticipation of taxes, if found necessary, and it was voted to allow the same discount on taxes as last year. The sum of \$200.00 was raised and appropriated towards the upkeep of the Community House.

Article 8. On the question of allowing the sale and manufacture of beer and other alcoholic beverages, as permitted by law of 1933, the vote was in favor 602 to 301.

Article 10. The vote, to allow athletic exhibitions as of the provisions of the law of 1929, also, was favorable, 525 to 128.

Article 12, which asked that the selectmen be instructed to straighten street lines west of the Common, was laid on the table temporarily.

Under Article 13 the following resolution was presented, "Resolved, that the present Zoning Committee be continued as a Zoning Commission to report at a recessed town meeting April 24, 1934." This resolution was adopted. The sum of \$350.00 was raised and appropriated for the purpose of making a survey and map of Milford.

Article 14. A motion was made "that \$500.00 be raised and appropriated to repair the town truck." This was objected to as many thought that a larger truck was needed. A motion was then made "that a committee of three be appointed by the selectmen and that they be instructed to make further investigation as to the advisability of making repairs on old truck or on purchase of new one." This motion was approved, and the following committee appointed, James Courage, Charles R. Foster, Albert H. Caldwell.

Articles 15 and 16, asking for State audit of town books and for election by ballot of all officers whose salaries were over \$100.00 were dismissed.

Under Article 17 the selectmen were instructed to have the Town Reports ready for distribution at future Caucus meetings and to make all necessary arrangements for their proper distribution. The sum of \$100.00 was appropriated to defray cost of extra number of Reports needed. It was also voted to hold future Caucus meetings in the Town Hall and to so advertise.

A resolution, to allow the Boy Scouts of Milford to have the use of the Town Hall for one day each year, was presented and adopted. Also, the selectmen and highway department were instructed to co-operate, so far as was practicable, with the Monadnock Regional Association in placing signs at the roadside.

A motion, instructing the Highway Agent to employ trucks from residents of Milford, other than himself, and not to use his own truck on the highway work, was presented and adopted.

Greetings and congratulations were sent Gen. Frank Kaley of New York, an old time resident of Milford, on the occasion of his 74th birthday.

At the completion of the business of the day the

meeting was recessed to April 24, 1934. At that date the report of the committee to make investigations regarding town truck was given. They recommended that the town truck be repaired, the expense of such repairs not to exceed \$400.00. With this report was an itemized account of needed repairs and approximate cost. The report was accepted and adopted.

At this meeting a committee of three, James Courage, Ralph Woodman, C. S. Emerson, were appointed to make investigation as to the expense of straightening line of road on the west side of the Common and to report at the recessed meeting to be held June 12, 1934. A further report of the Zoning Commission was to be given at that time.

June 12th the Town Meeting was again called to order and the committee appointed to investigate regarding the cost and advisability of straightening line of road on west side of Common reported no satisfactory progress and asked to be discharged. Their request was granted.

The Zoning Commission also reported no progress made and asked to have the meeting recessed until September 11, 1934.

At this meeting of June 12th several appropriations were made, \$265.00 to aid in installing a new system of lighting for the Square; \$500.00 additional for sidewalks; and \$100.00 for cleaning the soldiers' monument.

September 11th the Zoning Commission reported no further progress and the meeting adjourned Sine Die.

Respectfully submitted,
HIRAM C. BRUCE,
Town Clerk.

Report of Police Department

To the Honorable Board of Selectmen, Town of Milford:

I herewith submit my annual report of the Milford Police Department, from January 31st, 1934 to January 31st, 1935.

Total number of arrests 56

As follows:

| | |

Building Inspector.

Report of Water Commissioners

To the Citizens of the Town of Milford:

The Board of Water Commissioners herewith submit their report for the year ending January 31, 1935, together with the statistical and financial report of the Treasurer.

One year ago, when the Town Auditors were present to audit the books, they advised us that the method then in use was not adequate and too complicated to audit the books quickly. At the suggestion of the Water Commissioners they were requested to collaborate with the Superintendent, Mr. Campbell, and draw up forms that would be practical and efficient. Later forms were submitted that were acceptable to the Commissioners, and in due time printed. It was then decided upon the suggestion of Mr. Campbell, that we hire a bookkeeper on a part time basis, and we were very fortunate in securing the services of Miss O'Connell, whose past experiences very well fitted her for the position. On July 1st, the new bookkeeping system was installed and is working out very satisfactorily. Briefly, this new system is one whereby any information pertaining to the Water Department, can be very quickly obtained. Another suggestion of the Superintendent's was adopted, that is in sending out quarterly bills, and we feel this will be beneficial to the consumer as well as to this Department.

During the fiscal year, the Water Department has paid one long term note and two short term notes, a total of \$5000.00 and interest with this of \$353.33. There are still four long term notes outstanding and it is the opinion of the Water Commissioners that we will call these notes before they are due, if our funds warrant, thereby saving many dollars in interest each year.

The Treasurer's report shows a bank balance of \$5569.67, as of January 31, which we consider is a very good showing, and much credit is due to the efficient manner in which the Department was handled by the Superintendent. We believe the quarterly basis of collection makes a more even flow of income, which is very desirable. We have taken under consideration the recommendation made last year by Mr. Campbell of installing meters on all services, and hope to carry this out as soon as possible.

In May 1934, a delegation of citizens of East Milford, residing beyond the end of the main in that section, appeared before the Commissioners and asked for an extension of the water to the town line. After a careful investigation, we did not deem it advisable as the income would not warrant the expense, and the unwillingness of the prospective consumers to bring up the desired revenue.

Also in May, the matter of a new truck was called to our attention by the Superintendent. Bids were asked and submitted of various makes, and the Board decided upon the purchase of a Dodge truck, the old truck being turned in as part payment.

The matter of inadequate office furniture was brought forcibly to our attention and it was decided to buy a desk; this was purchased of the French and Heald Company.

The Superintendent, Mr. Campbell, made a request of the Commissioners to partition off a small room in the boiler room of the pumping station, the purpose being to save fuel, whereby the present heater could be replaced by a portable oil heater in the fall and spring seasons. Bids were asked for from several contractors in town, and the contract to do this work was awarded to W. F. French and

Son. We considered this a good business proposition and in a very few years will more than pay for itself in the saving of fuel.

We believe the suggestion made by the Superintendent of a new cover for No. 1 well is a good one, and hope this can be carried out in the warm weather.

The matter of installing adequate storage of water that will meet all conditions is being given careful consideration and some preliminary surveys have been made that have proven the idea is quite feasible. At some future time when we are able to present something satisfactory to the voters, this will be done.

Respectfully submitted,
FRED E. COOLEY,
KITT K. STIMSON,
RALPH J. GAINY,
Water Commissioners.

REPORT OF SUPERINTENDENT

To the Honorable Board of Water Commissioners I herewith submit a report of the Water Department for the year ending January 31, 1935.

The activities of this Department have been confined largely to general repairs. The State Highway Department requested that we replace all goosenecks and service pipes before they built a new road from High Street to Coburn's Garage on Elm Street, also around Union Square. We replaced 215 goosenecks and relaid 65 new services. The pipes on the remaining services were in such good condition, we decided not to relay these.

The winter of 1933-34 goes on record as being the most severe that the New England Water Works have had to contend with, and Milford was no ex-

ception. We had 115 services frozen, mostly under the road. In order to maintain service we had to employ the Public Service Company and the Milford Cylinder Grinding Company with electric thawing machines and John Martin with a hot water machine, besides our own crew. The dead-end districts where we found the water at a temperature below 35 degrees, we ordered the consumers to let the water run until we ordered them to shut it off.

On Riverview Street, the Highway Department changed the grade of the road, leaving only a two foot cover over the main pipe. This pipe froze solid and when we thawed it by electricity, we found 60 feet of pipe split. This pipe had to be relaid in zero weather. This spring we lowered 250 feet of pipe to the proper depth.

Another bad leak occurred on Amherst Street, corner of Souhegan. The frost reached a depth of five feet, cracking a clamp on a split tee, allowing the tee to open up, causing a leak six inches in diameter. The water came up through the ground in a man's yard 150 feet away from this pipe, giving us no indication of where the leak was. We had to dig down through five feet of frost in two different places before we located the leak. With all due credit to the men who stood by me twenty-four hours without sleep, with the mercury at 15 degrees below zero and the wind blowing a gale, we put this tee back into place and had service resumed in eighteen hours. Two of the men worked with frozen feet. A good deal of credit is also due the neighbors who kept us supplied with hot coffee all through the night.

On the north side of the bridge the road has settled about four inches, which puts a heavy strain on the pipe causing it to leak around the joint. We have repaired one leak there and I notice another

showing, which will have to be repaired this spring.

The new well on the Smith property is standing up very good, still furnishing about nine-tenths of the water. A glance at the pumping record shows that we pumped on an average of 186,050 plus gallons per day, and that on eighty-eight days during the year we pumped over 200,000 gallons of water. Our standpipe has a capacity of only 250,000 gallons and only half of this is available to a large portion of the town. Now this ought to be proof enough in itself of our inadequate storage facilities.

The coming year I should like to put a cement slab on our No. 1 well, replacing the old wooden roof, which is getting beyond repair.

After eight years of service our old truck would not pass the state inspection without a larger expenditure than we thought the truck would warrant, and we purchased a new Dodge truck in June.

We installed a new bookkeeping system and a quarterly basis of collection; both are working out very favorably.

Thanking the Honorable Board for their hearty and harmonious cooperation.

Respectfully submitted,

ROBERT F. CAMPBELL,
Superintendent.

REPORT OF SUPERINTENDENT OF SEWERS

To the Honorable Board of Selectmen:

I hereby submit my report as Superintendent of Sewers:

This department has handled two major projects with labor furnished by the state and federal government, the town furnishing all materials. We constructed a sewer on Summer Street 2000 feet in length, at a labor cost of \$4276.15. This work was carried on as a C. W. A. project. We also constructed a sewer on Amherst and Mont Vernon Streets. When completed this sewer will take in Granite Street, and the lower end of Myrtle Street. This project was not completed, and the figures of the cost of labor are not available. For detail of town's apportionment see Selectmen's report on special sewer construction.

The sewers on Shepard, South Myrtle, and the lower end of Nashua Street were thoroughly cleaned this fall.

The main sewer on the river bank behind the Ford Garage is in very bad shape, and should be re-laid in the near future with iron pipe. This pipe is laid right on the river bank and is damaged by ice and high water every year.

Respectfully submitted,

R. F. CAMPBELL,
Superintendent.

American Legion, 1934.

MILFORD FREE LIBRARY

REPORT OF THE TRUSTEES

To the Citizens of the Town of Milford:

The Trustees of the Milford Free Library submit herewith their annual report, together with the report of the librarian.

At the annual meeting of the trustees on March 23, 1934, the following officers were elected: Chairman, Harland H. Holt; Treasurer, Benjamin F. Prescott; Secretary, Ruth D. French. Miss Annabell Secombe was re-elected librarian and Miss Alice Ames assistant librarian. The members of the Reading Committee of last year were asked to continue their work: Miss Ella Powers, Mrs. Harriet W. Hutchinson, Mrs. Louise Powers, Mrs. Louise Broughton, Miss Margaret Howison.

The library has received the gift of \$500 from the estate of Miss Hannah E. Webster.

In spite of reduced funds, the librarians have continued to serve a large reading public, the second largest circulation in the history of the library.

The trustees recommend that the sum of \$3,000 be appropriated at the annual town meeting for the use of the Milford Free Library.

Respectfully,
HARLAND H. HOLT,
BENJAMIN F. PRESCOTT,
RUTH D. FRENCH.

REPORT OF THE LIBRARIAN

To the Trustees of the Milford Free Library:

I herewith submit the annual report of the Milford Free Library for the year ending January 31, 1935.

There was an increase in circulation over that of the previous year of 420, making the circulation the last year 45,300. While there has been a great improvement in the circulation of adult books, for the last six years, there has been a falling off each year in that of the juvenile books. The children in the grade schools do not use the library as they did.

The Congressional Records are on file in the Reading Room for the use of anyone interested.

The following statistics give the service and resources of the library during the year.

Respectfully,

ANNABELL C. SECOMBE,

Librarian.

RESOURCES

Number of bound volumes at beginning of year:

Adult 14,231; Juvenile 1,963; Total 16,194

Number of bound volumes added by purchase:

Adult 502; Juvenile 193; Total 695

Number of bound volumes added by gift:

Adult 6; Juvenile 0; Total 6

Number of bound volumes added by
binding magazines:

Adult 16; Juvenile 4; Total 20

Federal, state, and town documents: 10

Number of bound volumes lost or discarded:

Adult 104; Juvenile 105; Total 209

Number of bound volumes at close of the year:

Adult 14,661; Juvenile 2,066; Total 16,716

Number of magazines and newspapers
currently received: 60

SERVICE

Number of volumes of non-fiction lent:

Adult 7,233; Juvenile 3,550; Total 10,783

Number of volumes of fiction lent:

Adult 26,670; Juvenile 7,847; Total 34,517

Circulation for the current year:

Adult 33,903; Juvenile 11,397; Total 45,300

Circulation for day:

Largest 285; Smallest 32; Average 150

Number of new borrowers 203

Report of Sexton

About the usual amount of work has been accomplished in our cemeteries during the past year.

A new gate at the North Yard has been erected and the wire fence has been replaced by a part of that removed at Riverside when the Pillsbury fence was erected.

Considerable repairing was required on the fence in West Street Cemetery when an unknown automobile came in contact with it. There has been but little damage from storms the past year. However, considerable brush has been removed and some trimming of trees.

There is a small surplus from the sale of lots at Riverside that can be used for the improvement of that yard.

If the town receives an allotment of money from state or national funds there will always be work that can be done in our cemeteries.

The question of the amount of money needed for the perpetual care of lots is something to be considered. When bank interest was at least 4% \$100 was considered sufficient for the average lot. Now that the rate of interest has been so reduced it does not allow a sufficient sum to care for a lot over a period of years. The present rate of interest about pays for the mowing of the lot. This does not leave but little accumulation of interest for a time when the lot needs fertilizer or re-grading.

Respectfully submitted,

LEON C. TUCKER,
Sexton.

Report of Parks and Playgrounds Commission

This year the Parks and Playgrounds Commission sustained the loss of its President, William B. Rotch, and its Treasurer, John F. Pirovano, and greatly regrets their deaths. The remaining three members carried on during the summer and the Selectmen have appointed two additional members: Anthony J. Rossi and Harland H. Holt. Anthony J. Rossi was elected, late in August, to serve as the new treasurer and at a recent meeting Ralph J. Gainey accepted the chairmanship.

Each member has always had special duties and committee work. Mr. Rotch took charge of our central common, the park known as "The Oval," and accomplished his ambition of having town water available there as an improvement, before he passed away. The town water was piped to a well chosen and usable location and will assist workmen in the constant care of the place and it is hoped will further serve the public in many ways.

Playground equipment has been kept in repair and proves its value to every passer-by and friend of the children who seem to use it every possible chance, even in school vacation periods. The United States Flag is displayed on the several flagpoles on Flag Days and all proper occasions.

The World War monument has been cleaned and flagpole painted through the special appropriation so to do.

The Civil Works Project, begun in December 1933, to make a long needed improvement at Endicott Park was finished this season. The big fill of grade in the hollow was leveled, rolled and seeded

according to the survey and supervision of Leon L. Junkins.

Endicott Park was used for two fine outdoor entertainments given by the First Congregational Church and K. Brothers, respectively. A field meeting of Hillsborough County Grange young people was held there, and Ricciardi Hartshorn Post, No. 23, American Legion, and the Laurel Band staged Fourth of July and Labor Day carnival observances there with large in-town and out-of-town attendance. Twenty-eight ball games were played on the diamond.

Besides the general upkeep for the coming season the matter of the necessity of feeding the old large elm trees on the Oval demands attention. It is estimated that fifty dollars each season, for some consecutive years, would provide the material and labor to start up new growth and preserve the beauty and health of these shade trees. The commission believes such action should be taken. The trees are otherwise in good condition and not yet infested with pests, but handicapped for nourishment by the hard-pan surface of the surrounding covered surfaces of modern streets. Shepard Park needs to have some tree replacements.

The treasurer's report follows.

Respectfully submitted,

DAISY E. STICKNEY,

Secretary.

Respectfully submitted,

FRED M. REILLY.

REPORT OF HIGHWAY AGENT

I hereby submit the annual report of the Milford Highway Department for the year ending January 31, 1935.

| | |
|-----------------------------|-------------|
| Received from the Selectmen | \$13,523 17 |
| Divided as follows: | |
| From Highway fund | \$6,019 33 |
| From Snow fund | 3,066 21 |
| From E. R. U. fund | 4,374 01 |
| From Sidewalk fund | 63 62 |
| | \$13,523 17 |

We have graveled Summer Street extension, Spring Street, Black Road, Marshall Street, Dean Street, Knight Street, Charles Street, Riverview Street and Prospect Street extension, also 1000 feet on Lovejoy Hill. On the E. R. U. 45,476 feet at a cost of 9 4/10 cents per foot. We have cut the brush on the Mason road, Fred Savage road, and on the Shoo-Fly Cottage road; shingled tool shed and office, and repaired and painted what equipment could be repaired at the town barn.

A. WALLACE WILKINS,
Clerk of the School District.

March 13, 1934.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Milford:

I herewith submit my sixteenth annual report, which is also the thirtieth in the series of such reports.

Union No. 40

The five school districts of Amherst, Brookline, Hollis, Milford, and Mont Vernon continue to comprise this supervisory union with the organization the same as explained in last year's report.

Teachers

No changes in teachers have occurred in elementary schools, except in music. In the High School Mr. Leon E. Hamel of Franklin became submaster in place of Mr. Erickson who accepted election as Headmaster at Alton High School. Mr. Raymond A. Crosby of Milford took Mr. Hadley's place in shop work, and Miss Regis A. Horace of Manchester replaced Miss Blanche Dufault in the commercial department. Mr. Crosby is a graduate of Keene Normal and Miss Horace of Plymouth Normal. Miss Forbes, who was on leave of absence the last half of 1933-1934, returned in September to her regular position. Miss Eloise Ledoux resigned last June to accept a position at Nashua. All of these changes have resulted in more or less rearranging of teaching subjects. Full details will be found in the headmaster's report.

A change in music became necessary when Miss MacKinnon declined reelection. The work has now been divided between High School and elementary. Miss Elsie F. Wheeler of Greenville devotes one and one-half days as supervisor in grades I-VI and rural schools. Miss Kathryn Heinrich of Oberlin, Ohio,

is employed as a full time teacher at the High School building giving approximately one-half time to music and one-half time to English. This enables us to increase the time for music for grades VII-VIII and to offer more electives in glee club, chorus, orchestra and band work in higher grades. Miss Wheeler has taken the music supervisor's course at Keene and Miss Heinrich has had the full course at Oberlin Conservatory of Music.

Adult Classes

The FERA has made it possible to offer classes for adults this winter. Under this plan each teacher must give fifteen hours of teaching per week for which he receives \$15 from Federal funds. An additional seven hours of preparation and planning is also required. The local community must furnish a place for meeting which involves heat, light, and janitor service. A public meeting was held in November at which the whole plan was presented. There seemed to be much enthusiasm which led us to organize classes in Art, Spanish, English, Literature, French, Typewriting, Shorthand, Bookkeeping, Business Law, English for Foreign-Speaking People, Mechanical Drawing, Mathematics, and Music. Teachers must meet an economic and educational status to be eligible and must be taken from a state list. Our present staff consists of Carl E. Nelson (art), Lillian Holt (languages), Elvie L. Teeri (commercial), Willard B. Eastman (commercial and English), Herbert Boutelle (mechanical drawing and mathematics), and Arthur S. Dow (music). Attendance in classes was maintained very well until after the Christmas vacation. Since then it has fallen off considerably so that there is some possibility that the average attendance of six, as required, may not be maintained in certain classes and, therefore, the work have to be dropped. It is very much hoped

that adults of the community will take advantage of the opportunity offered and support the work so that it may be continued for some weeks more. In most of the classes it is possible to enroll at any time.

Although the operation of these adult classes does increase the expenses for coal, electricity, and janitor service, the benefits obtained are well worth the expenditure.

Buildings and Grounds

During the last summer very little was done in the way of repairs other than the usual cleaning. The High School building was painted on the exterior and the Osgood School was shingled. For next summer special work should include roof repairs at the High School, some interior painting, and the renewal of chemical toilet tanks at rural schools. The major project of remodeling the High School in 1930 was necessarily interrupted due to the times. The enrollment continues large so that more class rooms could be used to advantage as already arranged for in the original plans for changing the second floor. If this were carried out the present assembly hall would be made into classrooms and the need of an auditorium would be met by the construction of a gymnasium which is an addition to the school plant that is much needed. Also the heating plant is very old and may need replacement on quite short notice should anything go wrong.

Conclusion

Even though a school plant is up-to-date in every respect and equipment complete and ample, yet in the final analysis the most important factor is the teacher as the following quotation by Mr. Joy Elmer Morgan, editor of The Journal of the National Education Association, shows: "The teacher is a prophet. She lays the foundations of tomorrow. The

teacher is an artist. She works with the precious clay of unfolding personality. The teacher is a friend. Her heart responds to the faith and devotion of her students. The teacher is a citizen. She is selected and licensed for the improvement of society. The teacher is an interpreter. Out of her maturer and wider life she seeks to guide the young. The teacher is a builder. She works with the higher and finer values of civilization. The teacher is a culture-bearer. She leads the way toward worthier tastes, saner attitudes, more gracious manners, higher intelligence. The teacher is a planner. She sees the young lives before her as a part of a great system which shall grow stronger in the light of truth. The teacher is a pioneer. She is always attempting the impossible and winning out. The teacher is a reformer. She seeks to remove the handicaps that weaken and destroy life. The teacher is a believer. She has abiding faith in the improbability of the race."

Respectfully submitted,

HAROLD C. BALES,

Superintendent of Schools.

February 22, 1935.

416; 438; 447; 447; 432

PERFECT ATTENDANCE

Ten Years: Agnes Young.

Six Years: Louise Jarest.

Five Years: Theodore Bourn.

Four Years: Annette Caldwell.

Three Years: Edith Hasu, Nancy Thrasher.

Two Years: Charles Caverzasi, Stewart Doucet, Louise Hatch, Suoma Jarvis, Robert Jewett, Shirley Jewett, Harriet Lynch, Eugene McCue, Dorothy Moore, Helen Moore, Paiazi Querim, Theresa Powell, Arthur Rafter, Alice Tostevin, Helen Wallace, Frances Wilkins, Dorothy Woods.

Perfect Attendance for School Year 1933-1934

High School Building, Grades VII-XII: Frieda Abbiati, Jane Bourn, Theodore Bourn, Annette Caldwell, Ethel Carleton, Charles Caverzasi, James Chandler, Madeline Clarkin, Elizabeth Consigli, Barbara Cutts, Evelyn Cutts, Stewart Doucet, Paul Duff, Philip Felch, Virginia Hardy, Edith Hasu, Ernest Hasu, Esther Hasu, Louise Hatch, Suzanne Heald, Louise Jarest, Suoma Jarvis, Barbara Jasper, Patricia Jewett, Robert Jewett, Shirley Jewett, Mary Kirby, Verley Kirby, Eino Kolehmainen, Septima Luongo, Harriet Lynch, Dorothy Mahoney, Gertrude Maki, Eugene McCue, Mabel McPolin, Dorothy Moore, Helen Moore, Catherine O'Connell, Theresa Powell, Paiazi Querim, Bruce Richardson, Eleanor Robinson, Aili Ruonala, Eino Ruonala, Ada Silveri, Russell Stinson, Ellen Strom, Alice Tostevin, Nancy Thrasher, Helen Wallace, Marcia Waterman, Lena Whalen, Everett Wheeler, Frances Wilkins, Sylvia Woodman, Dorothy Woods, Agnes Young.

Elementary Schools

Grade VI: Vileta Chartier, Beatrice Cross, Arvo Kolehmainen, Catherine McPolin, Ernest Medlyn, Margaret Tocher, Marion White.

Grade V: Donald Daniels, Beatrice Silva.

Grade IV: Winthrop Bourn, Donald Chartier, Doris Duerschmidt, Elizabeth Dutton, Frederick Hutchinson, Leon Jacques.

Grade III: Pauline Buxton, Evelyn Duerschmidt, Merton Smith.

Grade II: None.

Grade I: None.

Laurel: Beverly Caswell.

Osgood: Alice Hopkins, Arthur Rafter, Robert Rafter.

Pine Valley: Yolande Brochu, Alfred Nadeau.

Perfect Attendance September 5, 1934 Through January 31, 1935

Grade XII: Beverly Boak, Theodore Bourn, Barbara Cutts, Edith Hasu, Lester Perham, Frederic Talbot, Harold Todd, Doris Williams.

Grade XI: Verna Doucet, Herbert Duerschmidt, Ruth Johnson, Grace Lord, Dorothy Mahoney, Dorothy Moore, Pearl Powell, Sulo Salo, Sulo Winters, Dorothy Woods.

Grade X: Annette Caldwell, Evelyn Carleton, Virginia Hardy, Esther Hasu, Alan Jasper, Marion Lorden, Hazel Morgan, Roger Morse, Anita Perham, Ruby Silva, Helen Wallace, Jeannette Yunghans.

Grade IX: Bequita Barnaby, Lucille Bianchi, Eugene Ciardelli, Paul Duff, Helen Emery, Constance Gibbs, Stella Hobson, Elizabeth Holt, Victor Keskinen, Eino Kolehmainen, Rosemond Mannino, Jeanette Martin, Eugene McCue, Helen Moran, Helen Pomeroy, Mary Romeo, Virginia Rossi, Jo-

seph Ryan, Ada Silveri, Priscilla Stickney, Marion Talbot, Nancy Thrasher, Frances Wilkins, Gertrude Wilkins, Lucille Woodman, Sylvia Woodman.

Grade VIII: Mary Amadio, Dorothy Calvetti, James Chandler, Jessie Forsyth, John Gallagher, Eileen Gibbons, Jessie Hartshorn, Ernest Hasu, Suoma Jarvis, Mary Johnson, Barbara Kendall, Kenneth Lorden, Peter Moran, Alexander Newbold, Walter Putnam, Bruce Richardson, Rudolph Ruonala, Olivia Sassi, Marcia Waterman, Everett Wheeler, Catherine White.

Grade VII: Phyllis Burtt, Charles Cassarino, Ernest Ciardelli, Richard Felch, John Hopkins, Arvo Kolehmainen, Bartolo Prestipino, Leonard Randall, Olivia Rocca, Peter Rocca, Italo Silveri, Harold Warren, Marion White.

Grade VI: Victor Bernasconi, Margaret Blanchard, Joseph Blanchette, Paul Chase, Harry Cheney, Camillie Crisafulli, Donald Daniels, Martha Duprat, Lester Foster, Gloria Gibbs, Marjorie Hardy, Nina LaPonsie, Alice Linna, Norma Linna, Vincent Mannino, Robert McShinsky, Lina Oikari, Mary Prestipino, Maud Riedle, Beatrice Silva, Nelson Stinson, Alden Thrasher.

Grade V: Oliver Bailey, Adelle Blanchette, Roland Blanchette, Vida Gibbs, Allan Hasu, Patricia Harley, Leon Jacques, Susan Johnson, Elizabeth Rocca, Genevieve Rocca, Claire Rossi, Albert Steele, Carl Stimson, Marion Woods.

Grade IV: Robert Carleton, Joan Hutchinson, Dorothy Manning, Kathleen Melano, Joy Palm, Hugo Silveri, Merton Smith, Rodney Woodman.

Grade III: Audrey Batterson, Christine Burtt, Alice Carleton, Edward Galletly, Sylvia Hasu, Theodore Hutchinson, Joan Melano, John Muro.

Grade II: Richard Deans, Malcolm Dunklee, Corinne Palm, Roger Sprague.

Grade I: Deborah Batterson, Robert Kendall.

Laurel School: None.

Osgood School: Arthur Rafter, Robert Rafter,
Shirley Rafter.

Pine Valley: Vincent Bowen, Burton Brochu,
Roland Brochu, Yolande Brochu.

REPORT OF HEADMASTER OF HIGH SCHOOL

To Harold C. Bales, Superintendent of Schools, Milford, N. H.:

I herewith submit my fifth annual report as Headmaster of Milford High School.

Enrollment

The total enrollment through January 31, 1935 was 406, of whom four have left school or removed to other towns. The membership January 31 was 382, one less than last year at the same time; 209 of these pupils were girls and 173 were boys, distributed according to age and grade as follows:

| Ages | GRADES | | | | | | P. G. | Totals |
|--------------|--------|----|----|----|----|----|-------|--------|
| | 7 | 8 | 9 | 10 | 11 | 12 | | |
| 11-12 Boys | 3 | 1 | | | | | | 4 |
| Girls | 6 | 0 | | | | | | 6 |

| VII | 30 | 44 | 74 |
| <hr/> Totals | <hr/> 214 | <hr/> 192 | <hr/> 406 |

Average Membership

The average membership of each class, Senior High, Junior High, and school January 25, 1935 was as follows: Grade XII, 42.07; Grade XI, 47.44; Grade X, 57.89; Grade IX, 91.05; Grade VIII, 78.61; Grade VII, 70.81; Senior High, 239.00; Junior High, 149.42; school as a whole, 388.42.

Attendance

In spite of one or two days on which there were a great many pupils absent due to bad weather, our attendance record for the first half year is good. We have had 180 sessions of school. This is considered commendable by the State Board of Education. Ninety pupils (cf. report of Superintendent of Schools) were neither absent nor tardy. These are distributed according to grades as follows: Grade XII, 8; Grade XI, 10; Grade X, 12; Grade IX, 26; Grade VIII, 21; and Grade VII, 13; Total, 90. An average of above 90% of perfect attendance is allowable for a school.

A 97% average entitles a school to a position on the honor roll of the State Board of Education. Each year a small number of schools attain this honor. Percent of attendance for the first half year by

grades in order from highest to lowest follows: Grade XII, 98.75 (excellent); Grade VII, 97.20 (very good); Grade IX, 96.82 (good); Grade VIII, 96.58 (good); Grade X, 96.34 (good); Grade XI, 96.04 (good); Senior High School (Grades IX-XII), 96.66; Junior High School (Grades VII-VIII), 96.84; School (Grades VII-XII), 96.74. With the co-operation of every parent and pupil, we should be able to bring this last figure up to 97.00 by the end of the school year.

To attain a place on the State Board of Education's honor roll a school must not exceed the maximum figure of .25 tardiness per pupil per half year. Following is our record for the first half year ending January 25, 1935. Grades are arranged from best to poorest record: Grade IX, .11; Grade XI, .25; Grades VII and X, .28; Grade VII, .35; Grade XII, .36; Senior High School, .22; Junior High School, .31 whole school, .26. Thus the Senior High School record is much better than the state figure, while that of the Junior High School and school is not quite so good. Here again added effort is needed.

Tuition Pupils 1934-1935

On January 31, 1935 there were 53 tuition pupils as compared to 46 at that time last year and 40 two years ago. They were distributed by grades and towns as follows:

Grade XII, 8; Grade XI, 3; Grade X, 12; Grade IX, 19; Grade VIII, 5; Grade VII, 6; Total 53.

Amherst, 4; Brookline, 10; Francestown, 1; Greenfield, 5; Greenville, 10; Lyndeboro, 2; Mont Vernon, 20; Rindge, 1. Total 53.

For the past two years there has been a noticeable increase in the number of non-resident pupils attending the school. Whether this will continue or not is problematical. Financially we are little if any

better off this year with 53 tuition pupils than we were two years ago with 40, since the tuition rate is lower. If we are to continue to accept non-resident pupils we should have more classrooms.

It is impossible to state in advance how many pupils the school will have in the near future due to several factors that vary from year to year. We lose very few pupils over the summer between grades six and seven and grades eight and nine. We cannot always tell how many will come from Mont Vernon. We can never tell how many ninth grade tuition pupils will come from surrounding towns. Consequently, any estimate is more or less of a guess. This year there were five seventh grade pupils from Mont Vernon and sixteen ninth grade tuition pupils not formerly members of the school. The total enrollment in grades one through six of all Milford schools is as follows: Grade VI, 70; Grade V, 73; Grade IV, 84; Grade III, 70; Grade II, 60; Grade I, 70. Numbers at Mont Vernon in parallel grades are 2, 5, 7, 3, 5, 3. From this it would be seen that a new peak is to be reached in three years with a seventh grade class of 91 more or less. A class of this size should, for efficient teaching, be divided into three sections. This will increase our teaching load by twenty-six periods per week or the equivalent of the time of one teacher. In addition there is the ever present fact that we have no classrooms or home room seats not in use. Certainly this presents a problem that will need much study before it is finally upon us.

Last Year's Activities:

Junior Play:

The members of the class of 1935 gave the Baker comedy, "Dyeing To Live," in the High School Assembly Hall on Saturday, February 3, 1934. Miss Andrews was the coach.

Monadnock Basketball Leagues:

Milford boys and girls were again represented in the leagues. The member schools were Appleton Academy, Conant, Marlboro, Milford, Peterboro, and Wilton. The Milford boys finished in a tie for second place with Appleton Academy. The Wilton boys won the cup with a record of nine wins and one loss. The Milford and Peterboro girls tied for first place with a record of nine won and one lost each. Milford won the play-off at Wilton by a score of 26-22 and received a large cup donated by the Rensselaer Polytechnic Institute. Mary Adams, Agnes Young, Marjorie Jameson and Elizabeth Richardson were selected All League Players.

Peterboro Rotary Club Tournament:

The Milford High School girls' team was invited to participate in the first annual girls' state championship tournament held at Peterboro on March 9th and 10th, 1934. The eight teams invited from all sections of the state were: Laconia, Pembroke, Dover, Plymouth, Keene, Peterboro, Hillsboro and Milford. Laconia was defeated in the preliminaries 23-13, Dover 41-23 in the semi-finals, and Peterboro 26-18 in the finals. A fine cup, emblematic of the girls' championship of New Hampshire, was awarded. Capt. Mary Adams and Agnes Young were chosen all state guard and forward respectively, while Marjorie Jameson and Verna Doucet were selected for the second team.

University of New Hampshire Tournament:

The boys' team was invited to participate in the State Class B Championship tournament held at Durham on March 2nd and 3rd, 1934. The eight teams invited in Class B were Gorham, Lincoln, Charlestown, Franklin, Farmington, Bath, Milford and Wilton. Milford defeated Gorham in the pre-

liminaries but lost to Franklin in the semi-finals. All players received bronze watch charms. Ricciardi was named "All tournament Class B forward."

Freshman Play:

"His Father's Gone South" was presented in the Assembly Hall on March 23, 1934. The cast was well chosen and gave a fine performance. A second performance was given at Brookline on April 6th, for the benefit of the Brookline eighth grade. Miss Marguerite Brown, adviser for the class of 1937, was the coach.

Sophomore Play:

"That's One on Bill" was given at Finn Hall on April 13, 1934 to a full house. Bruce Jackson and Walter Keskinen played for the dancing after the play. Miss Andrews coached the play.

Junior Prom:

The annual Junior Prom and reception to the Senior Class was held at the Town Hall on May 11, 1934. Music was by Herb Whitney's orchestra of Lowell.

The Fifth Annual Scholarship Day Contest at Keene and Plymouth Normal Schools was held on May 14, 1934. Milford was represented by three teams of three seniors each as follows: Latin, Barbara Jasper, Hazel McCormack and Flossie Hutchinson. Chemistry, Leo Silveri, Antonio Gatto and Ethel Carleton. Arithmetic, Jeannette Byars, Madeline Clarkin and Paul Dutton. The Latin team was second while the Arithmetic team placed third.

The Eighteenth Annual Kaley Prize Speaking Contest was held in the Town Hall on Friday evening, May 25, 1934. The eight speakers were selected from the sixty members of the Sophomore class who participated in the preliminary contest before three

judges. Again, under the direction of Miss Flora Abbiati, an excellent program of speaking was presented. It seems that a new peak of excellence in speaking is reached each year. We are grateful indeed to General Kaley for his generous support. For eighteen years he has provided all funds for prizes, programs, and other necessary expenses. I consider the contest one of the most valuable activities in the school. Last year the participants were: Earlene Hawkins, Marlen Duteau, Flora McIntosh, Leon Bills, Enid Carpenter, Bruce Jackson, Edna Mitchell and Charles Boutelle. First prizes of eight dollars were won by Enid Carpenter and Bruce Jackson. Earlene Hawkins and Marlen Duteau were awarded second prizes of four dollars each. Each of the other contestants received two dollars. The judges were Supt. and Mrs. Byron Tarney of Goffstown and Miss Florence Tarr, a teacher in the Goffstown High School.

The personnel of the Monadnock Baseball League was the same as that of the boys' Basketball League. Peterboro won the cup, Milford taking second place.

Class Day exercises were held in the High School Assembly Hall on the afternoon of June 13, 1934. The program was as follows: Bible reading, Leo Silveri; Class Will, Barbara Jasper; Class Alphabet, Flossie Hutchinson; Class Gifts, Harriet Boak and Philip Cummings; Farewell Address and Key Presentation, Senior President Mario Infanti; Acceptance and Farewell, Junior President Frank Luongo; Class Ode. The program was directed by Miss Alice Herlihy, Senior Class Adviser.

On the morning of June 14, 1934, the forty-nine members of the Class of 1934, accompanied by the Class Adviser, Miss Alice Herlihy, and chaperones,

Headmaster and Mrs. Morgan, set out on a two-day bus trip through New Hampshire, Vermont and New York. Some of the places of interest visited were: Dartmouth College, Montpelier, Burlington, Ausable Caverns and Fort Ticonderoga. The party spent the night at Burlington and crossed Lake Champlain early in the morning of June 15. They arrived in Milford late that evening.

On Sunday morning, June 17, 1934, the Class of 1934 was invited to a Baccalaureate Service at the Methodist Church. The Reverend Mr. William Weston preached a very inspiring sermon.

Graduation exercises were held at the Town Hall on Wednesday, June 20, 1934 at eight o'clock, Standard time. Forty-nine Seniors were awarded diplomas by Mrs. Anna H. Smith, Chairman of the Milford School Board. Their names, curricula and present occupations follow:

ACADEMIC

| Name: | Present Occupation: |
|-----------------------|--|
| Boak, Harriet | Leland Powers, Boston |
| Carleton, Ethel | Mass. General Hospital, Boston |

Activities 1934-1935

1. Football: The Milford High School football team played a five game schedule this fall. The schools met were: Dover, Methuen, Sanborn Seminary, Woodbury High, and Chelmsford. A squad of about 35 players finished out the year under the direction of Athletic Director Leon E. Hamel and Assistant Coach Raymond Crosby. For the fifth year we were very fortunate in having no serious injury.

2. Senior Play: The Annual Senior Play and dance were given in the Town Hall on November 9, 1934. The production was the Walter Baker \$25 royalty play, "Once There Was a Princess." The play was coached by Miss Irma Andrews, Dramatic Director, aided by Class Adviser, Miss Stella Smith.

3. Clubs: During the fall clubs were organized in the Junior and Senior High School as follows: Band, Orchestra, Glee, Boxing (2), Science, Sports (2), Letter "M", Journalism, Commercial, Dramatic (2), Handicraft, Travel, Dancing, and "Student Prints." Modern educational theory demands a club program. The old type school was content to set up ideals; the new school not only sets up worthy and reasonable ideals but offers opportunity for the actual practice of these ideals. This means that the ideals themselves will not only be the more reasonable and possible of attainment because actual practice is checked against them, but also that these ideals will really function. Knowledge of law is certainly no guarantee of its observance; it is only the basis upon which intelligent observance is built. The

average pupil's knowledge of what the good citizen should do does not guarantee that he, as a citizen, elects to do this.

There is comparatively little opportunity in the traditional school work for the pupil to practice many of the qualities which he as an adult will need, because the regular work of the school is concerned largely with the mental or intellectual phase of life, and because the physical, social, aesthetic, emotional, appreciations, and recreational phases are rarely emphasized. The very nature of the classroom exercise prohibits this emphasis. The school club program offers many opportunities for the proper guidance and education of the pupil in important phases of citizenship because phases other than intellectual are emphasized. It is based upon vital pupil interests, and opportunity for participation is provided in these activities. In short, the club is built upon the basis of "Learn and Do" and not merely upon that of "Learn."

4. Music: In years past we had an orchestra. Lack of time during school hours was mainly responsible for its demise. Our teachers' time is so fully used that it is difficult to find a place in the program for much needed music. Vocal work is compulsory in grades 7 and 8 in Milford schools. Pupils have two half periods per week under a specially trained teacher. This year Miss Heinrich, who succeeded Miss MacKinnon, devotes all of her time to the High School building. She teaches English one-half of the time and music the remainder. Her daily presence in the building has made easier the broadening of the music program. She has continued the Glee Club of other years, organized a class in Music Theory, formed an Orchestra, and is directing a Band. When school opened in September many of the pupils now playing in the band and

orchestra had no knowledge of any instrument. Miss Heinrich has given them individual free lessons after school on their several instruments as well as group instruction. In accordance with the requirements laid down by the State Board of Education we are offering a limited amount of credit toward graduation in Music Theory, Glee Club, Band, and Orchestra. We hope that the new born interest in instrumental music will grow.

Teachers and Subjects 1934-1935

(Numbers indicate years of service in Milford)

Abbiati, Flora R. (4th). French, Eng., Prize Speak'g
 Andrews, Irma L. (9th). English, Hist., Dramatics
 Brown, Marguerite K. (3rd). Mathematics, English
 Crosby, Raymond D. (1st). Mech. Arts, Assistant
 Coach

Davis, Melba B. (6th). Latin and Biology

Fitzpatrick, Alta V. (2nd). Shorthand, Typing
 and Office Practices. Physical Education, Ath-
 letics

Forbes, Phyllis M. (5th). Economics, Sociology, His-
 tory, Athletics

French, Ruth D. (8th). English

Hamel, Leon E. (1st). Physics, Science, Algebra,
 Athletic Director, Submaster

Heinrich, Kathryn (1st). Music, English, Band, Or-
 chestra

Herlihy, Alice F. (16th). History, Civics and Occu-
 pations

Horace, Regis A. (1st). Bookkeeping, Typing,
 Civics and Occupations

Morgan, J. J. Jr. (5th). Pl. Geom., Adv. Alg., Solid
 Geom., Pl. Trig., Headmaster

Smith, Stella E. (7th). Home Economics, Geography,
 Supervisor of Cadets

Talbot, Carl W. (15th). Mechanic Arts

Four Cadets, 9 weeks each. Cooking and Sewing.

Three hundred years ago the first secondary school in the United States was founded. The Boston Latin School established in February 1635 was much different from the high school of today, in support, control, curriculum, purpose and personnel. The evolution of the high school has been steady from that day to this. The Latin school, founded by the public but requiring the payment of fees by the pupils attending, was not a democratic institution. The control was by the public but usually under the direct supervision of the particular church in the community. Its purpose was purely to prepare for college, the college in question being Harvard. Boys only were allowed to attend. It was thought that girls had no need for education other than that which could be obtained in the home, namely how to keep house and to rear children.

The school had a four year program. For purpose of comparison the subjects studied each year are listed below:

First Year: Cheever's Accidence. Corderius's Colloquies—Latin and English. Nomenclator Aesop's Fables. Ward's Latin Grammar or Eutropius.

Second Year: Clarke's Introduction, Ward's Latin Grammar. Eutropius, Continued. Selectae e veteri Testamento Historiae, or, Costilio's Dialogues. The Making of Latin from Garretson's Exercises.

Third Year: Caesar's Commentaries. Tully's Epistles, or offices, Ovid's Metamorphoses, Virgil, Greek Grammar, The Making of Latin from King's History of the Heathen Gods.

Fourth Year: Virgil Continued. Tully's Orations—Greek Testament. Horace. Homer. Gradus ad Parnassum. The Making of Latin Continued.

A summary of the four year course shows four years of Latin and two of Greek—nothing else.

The Latin Grammar School period lasted rough-

ly to 1775, or until the outbreak of the Revolutionary War. Before this date, however, the public Academy had made its appearance.

In 1751 Benjamin Franklin had founded "The Public Academy of the city of Philadelphia," the first of the new schools to be established in the United States. These academies were supported by private and public gifts and pupils' fees. The control was now in the hands of a board of trustees instead of the church. The curriculum reflects the change in American life that had taken place since 1635. The Latin Grammar school of 1635 had been a copy of the secondary schools that were flourishing during that period in England and on the Continent. This probably accounts for their aristocratic nature. In 1775 a wave of democracy was spreading over the colonies. The need for a more practical type of education was felt. So the curriculum now had a three-fold purpose; preparation for college, the training of teachers for the elementary schools, and training for the business and practical vocations such as surveying. New subjects were added, some of which were, English, Mathematics, Chemistry, Bookkeeping, and Surveying. Of course the Latin and Greek were retained but not all were forced to study them. It is interesting to note that at the Academy in Leicester, Massachusetts, established in 1784, approximately 150 years after the founding of the Boston Public Latin School, girls for the first time were allowed to attend. The academies were small, usually having one or two teachers and about fifty pupils. Today one sees reminders of the academy period all about. Some grew into colleges. Franklin's Public Academy of the city of Philadelphia today is the great University of Pennsylvania. Others like Pinkerton Academy at Derry have gone on with their private control by a board of trustees but con-

form to public high school standards and accept the pupils of the towns around whose fees are paid by the school districts. Others like Watson Academy, at Epping, N. H., have turned over plant and endowment to the local school district for use as a free public high school. Still others like Colby Academy at New London, N. H., have become Junior Colleges. Others, deep-rooted because of their wealth, like Philips Exeter Academy at Exeter, N. H., have become preparatory schools, while still others, and this group claims the majority, have been closed, being unable to compete with the free high school.

The academy period beginning in the middle of the eighteenth century and lasting until well into the second half of the nineteenth century brought a more practical course of study with it and opened a secondary education to girls but retained two bad features of the Latin Grammar School, private support and narrow control. With the growth of democratic spirit in this country it is not surprising to find that in 1821 the English Classical High School was founded in Boston. Today this school lives on as English High School of Dorchester. This school was supported by public taxation, the outstanding change from the academies that preceded it. The control was thus vested in the citizens of the community most of whom were parents of the boys and girls in the school. The free high school movement progressed slowly for a time after 1821. There was much opposition to the payment of taxes for the education of "someone else's children." In the famous Kalamazoo Case the Supreme Court of Michigan finally settled in the affirmative the question as to the legal right of states and communities to raise and appropriate money derived from taxation for the support of high schools.

During the last twenty years the changes in sec-

ondary education have been many and varied. The Junior College and Junior High School movements, many types of curricula, different buildings for the different curricula such as practical arts, commercial, technical and classical High Schools. These schools are much extended as compared to the High School of the late nineteenth and early twentieth centuries. The four year school is far less common than it used to be. The early organization of eight years of elementary school, four years of high school and four years of college has been replaced in many places by an elementary school of six years, preceded by a kindergarten, followed by a secondary school of grades seven through twelve and sometimes thirteen and fourteen. The secondary school again is followed by the college and the college by the university.

It seems that we have progressed a long way from that day in 1635 when the first secondary school was founded with the single purpose of preparing boys for college. We now try to aid each pupil in a many sided growth by giving him or her training that will tend to make him or her a pleasing member of society, a good citizen, a morally strong person, one who can enjoy beauty, one who can participate in and enjoy some good recreational hobby, one who has some occupational efficiency, and one who has a healthy body with which to work. It is a tremendous task and requires teachers of strong mind and character, teachers who can rise above the petty details of every day work and keep constantly before them the goals of education.

Our ancestors could do very well in the world with a grammar school education, our immediate forbears were well qualified to make a living with a high school training. Today every child needs a high school education as a basis for specialization in

some trade or further study, and to be qualified to cope with the amazing complexity of modern life.

With the great changes in education of the past one hundred years Milford education too has advanced. The district schools of the early years of the town's history, were centralized in the 'White School' on the site of the present Elementary Building. Sometime between 1840 and 1850 (records are very meager) but probably about 1847 the "Old Brick" became the home of the secondary work in Milford. In 1894 the present High School building was constructed and with additions has served to the present. The outside of the building has changed little in appearance during recent years. The school itself, however, has been pretty thoroughly reorganized along the lines of modern educational theory. During Headmaster Reed's administration the seventh and eighth grades were changed into an integral part of the high school with full departmentalization of all work. Exploratory courses were added. The program of the studies has been fully reorganized. The four curricula are discussed in the report of February 1933. We are trying to give to each boy and girl the training that will do him most good in two ways, first, if he leaves school before graduation, and secondly, if he continues throughout the six years. We have a school of good standards. It is as well adapted to the needs of the pupils as the size of the town and the amount of money expended on it permit. It seems to me that today there are a few outstanding needs. A list follows:

1. More classrooms to relieve present congestion.
2. Cafeteria for suitable noon lunch conditions for our 100 pupils who bring a lunch from home.
3. A gymnasium to bring participation in a

physical education program into the life of every boy and girl in school.

4. A new heating unit to replace the plant in use since the building was erected.

5. A better salary schedule for our classroom teachers. At present our good teachers are being drawn away from us by offers of better positions. With the amount of money available we cannot replace these strong teachers by others of the same calibre. We are forced to take inexperienced instructors. Our classes are large and very difficult for beginning teachers. Last spring we had several changes in our faculty. If these changes continue for a period of three or four years we cannot help but have a poorer school. It is the best teachers who are first taken from us. In past years Milford has been fortunate to retain good teachers for long periods of time. It is obvious that if we cannot offer our good teachers better salaries we shall lose them. The boys and girls of our town will be the losers. For the sake of the pupils in our school who are to be the future citizens of Milford I hope that something can be done this spring to retain the services of the good teachers remaining on our staff, for "a school can be only as good as its teachers."

Respectfully submitted,

J. J. MORGAN, Jr.

Headmaster.

January 31, 1935.

REPORT OF SCHOOL PHYSICIAN

To the School Board of Milford:

The following is the annual report of the medical inspection made in September 1934.

Number examined: Pupils 833; Teachers 32; Janitors 2; Other Employees 1; Total 868.

| Defects: | No. of Cases Found |
|--------------------|--------------------|
| Underweight (10 %) | 51 |
| Defective hearing | 2 |
| Anaemia | 2 |
| Cardiac disease | 2 |
| Pulmonary disease | 2 |
| Deformity | 1 |
| Defective teeth | 284 |
| Diseased tonsils | 142 |
| Adenoids | 1 |
| Enlarged glands | 6 |
| Unvaccinated | 28 |

Respectfully submitted,
 W. H. W. HINDS, M. D.,
 School Physician.

February 5, 1935.

REPORT OF SCHOOL NURSE

To Mr. Harold C. Bales, Superintendent of Schools,
 Milford, N. H.:

I herewith submit my third annual report of school health work in Milford, it being the sixteenth year of this work.

The annual medical inspection was made in September by Dr. Hinds. A tabulated report of defects found will be given in the School Physician's report.

This year a Federal fund was available through the Child Health Recovery program from which I was able to get financial assistance for a dental clinic besides visual and tonsil corrections.

The dental clinic, grades I-VI, was held through November and December at Dr. Fiske's and Dr. Lawrence's offices. Each gave two days a week to this work. The children first had a dental examination and then a card stating the work necessary and approximate cost was sent to each parent to be signed and returned if they wished to have the work done at this time. This gave every child an opportunity to use clinic rates. Eighty-three were taken care of through the Child Health Recovery fund. The following is a list of the work done at the clinic:

| | |
|---------------------------------|-----|
| Number of pupils examined | 407 |
| Number of cleanings | 252 |
| Number of porcelain fillings | 46 |
| Number of silver fillings | 373 |
| Number of cement fillings | 162 |
| Number of adult extractions | 103 |
| Number of deciduous extractions | 133 |
| Number of treatments | 3 |

Sixty-six pupils were served a hot dish at school each day for ten weeks during the cold months of the term 1933-1934. This consisted of cocoa, cream soups, chowders, scalloped dishes, which were prepared by the home economics class at the high school.

The Federal milk fund has supplied milk for our undernourished children which they have during the morning recess. Many others buy milk at school each day.

Cod liver oil has been distributed to those who need it.

The hearing tests were made in the spring with the audiometer. Twenty-nine were found to have defective hearing, varying from slight to very poor.

The eye examinations were made as usual and forty-eight children reported needing visual corrections. These have been reported to the parents and many are all ready corrected. I assisted with the remedial work of nineteen through the Department of Public Works and Child Health Recovery Fund.

Forty-seven children have been taken to various hospitals for nose and throat corrections during the past year. This work was done at Grasmere County Hospital, Sacred Heart Hospital, St. Joseph's Hospital, and Nashua Memorial Hospital through the cooperation of the Child Health committee.

Three hundred seventy-three school visits have been made through the past year and home visits as necessary for instructive and corrective work.

There have been many cases of mumps and chicken-pox throughout the year and a few children excluded with itch and impetigo.

Thirteen classes were taught on simple nursing procedures to the girls of the Junior class at the High School.

Clothing has been provided by the Red Cross whenever necessary and many pairs of mittens donated by individuals for the benefit of children needing them.

In closing, I wish to thank the school officials, teachers, and parents for their splendid cooperation during the past year.

Respectfully submitted,
VENITA H. CARTER, R. N.,
School Nurse.

STATE BOARD OF HEALTH
Division of Maternity, Infancy and Child Hygiene

February 20, 1935.

Health Officer W. O. Kimball,
 Town of Milford.

Dear Sir:

Enclosed you will find a report of the health work which has been done in your community by the Division of Maternity, Infancy and Child Hygiene of the New Hampshire State Board of Health, co-operating with local agencies as represented through the Child Health Conference Committee.

Child Health Clinic, June 26, 1934:

| | |
|---------------------------|----|
| Number held | 1 |
| Number children attending | 47 |
| Number found with defects | 28 |
| Number defects found | 28 |

Dental Clinics, Aug. 31 and Sept. 21, 1934:

| | |
|--------------------------|----|
| Number held | 2 |
| Number children examined | 21 |
| Number teeth extracted | 7 |
| Number teeth filled | 37 |
| Number teeth treated | 5 |
| Number sets cleaned | 12 |

Tonsils and adenoids removed in pre-school children, 4.

CARRIE C. PRICE, R. N.,
 Staff Nurse.

Of the Deaths in town in 1934, 28 were carried out of town for burial: Amherst, 10; Ashby, Mass., 2; Bedford, Mass., 1; Bedford, N. H., 1; Barnstead, 1; Boston, Mass., 1; Brownville, Me., 1; Cambridge Mass., 2; E. Chelmsford, Mass., 1; Greenfield, 1; Lyndeboro, 1; Mason, 1; Milford, Mass., 1; Stratham, 1; Wilton, 3.

Nineteen were brought from away for burial. Some were long ago residents.

Of the 60 deaths recorded, 3 were between 90 and 100; 9 between 80 and 90; 14 between 70 and 80; 13 between 60 and 70; 6 between 50 and 60; 6 between 40 and 50; 3 between 30 and 40; and 5 under 30. Of these deaths 34 were male and 26 female. One or both parents of 24 were born in other countries.

The Vital Statistics of a town are one of its most important records, not merely for today but for generations to come. If everyone would see to it that the records of their families were fully and correctly filled out on the Marriage, Birth, and Death certificates when handed in, it might be of great use to them or their descendants at some future day, and a great help to us in making out the records of today.

I hereby certify that the foregoing returns are correct according to the best of my knowledge and belief.

HIRAM C. BRUCE,
Town Clerk.
